our vision

The Weld RE-4 Education Foundation envisions a thriving educational community where every teacher is empowered to innovate, inspire and elevate student success.

We are committed to fostering creativity in the classroom by equipping educators with the tools they need to lead transformative learning experiences. Through meaningful recognition programs like the “My Weld RE-4 Hero” essay contest and the Honor a Teacher Campaign, we celebrate the profound impact our educators have on shaping futures, one student at a time.

our mission

The Weld RE-4 Education Foundation strives to inspire innovation and empower success in our district students and teachers by:

- Providing more of the tools needed to develop Future Ready Skills;
- Recognizing excellence and fostering opportunities for continued success; and
- Strengthening community engagement with our schools.

about us

The Weld RE-4 Education Foundation is a 501(c)(3) non-profit that connects our community to the Weld RE-4 School District by identifying resources and partnerships that result in the implementation of innovative programs and meaningful educational opportunities for all students and educators.

student scholarship's **\$10,000**

The Weld RE4 Education Foundation awarded 7 scholarships totaling \$10,000 to support graduating seniors in their pursuit of higher education.

teacher & staff appreciation

We celebrate teachers and staff year-round through two special events, an essay contest, and recognition campaigns. Thanks to our generous sponsors we raised \$14,200 for these programs.

\$14,200

fire starter student grants

To ignite students within Weld RE-4 Schools at the secondary level (middle & high school) to engage in serving our communities of Severance, West Greeley and Windsor.

NEARLY \$2000

financial statement

The Weld RE-4 Education Foundation operates as a nonprofit partner to the Weld RE-4 School District, with a mission to support educators, encourage classroom innovation, and recognize teacher impact. Financially, the Foundation maintains a healthy balance of annual revenue and expenses and no liabilities. This financial stability allows the Foundation to invest in teacher-focused programs, recognition campaigns, and classroom resources while maintaining long-term sustainability
